**VNA Private Care Receives State Seal of Approval
Local Home Health Care Agency Passes State Review With Flying Colors**

Wellesley, MA - VNA Private Care, the private home care affiliate of the Visiting Nurse Association of Boston announced today that it has received a Full Compliance Report from the Division of Occupational Safety, the state agency that oversees private home care agencies in Massachusetts.

The agency earned this superior rating as a result of a successful site visit and review by staff of the Division. The site visit includes an intensive review of client and employee records and other documents assuring compliance with labor laws and provision of consumer information.

“We are committed to helping families keep their older relatives independent for as long as possible,” said Nancy Morton, Director of VNA Private Care. “We strive to deliver quality care by providing nursing supervision, training, and coaching for all of our companions, homemakers, and home health aides. Morton continues; “Unlike many home care agencies, our home health aides and companions are employees of VNA Private Care and not independent contractors. We believe that this allows us the ability to ensure the highest level of quality care. I am very proud of our staff. It’s their diligent, caring work on a daily basis that makes this level of quality possible.”

###

Celebrating our 125th year, the Visiting Nurse Association of Boston & Affiliates provides home healthcare through the VNA of Boston, end-of-life support through VNA Hospice Care and private pay services through VNA Private Care. We coordinate superior care across the continuum – for all ages, healthcare needs, and income levels – so that our patients and their families throughout Greater Boston have peace of mind and, most importantly, can live independently at home.
